

Satan has been bombarding me with all kinds of symptoms of fleshly defects, like bladder infection, pain in the lower back and loss of feeling in my feet. Along with placing thoughts in my head, like that's why God made Drs, get an antibiotic for the bladder infection and in a few days you will have no more burning sensation or very frequent bathroom trips, there's nothing wrong with taking the natural way of cures.

In the past, God has been directly showing me that I have to completely put my trust in HIM and walk in the blessings he pronounced upon Abraham, Isaac and Jacob, which we also received through the cross of calvary. **As in the near future, that's all I'll or We will have.**

In the last eight months I have had three bladder infections and had prescriptions to clear them up, but they only work temporary whereas the blessings of God are permanent preventions of afflictions to those that have put on Christ and continue in **HIS** way.

God wants us to live in his best, believe **ALL** his word, claim **ALL** his promises and act upon them, like PETER. He said Lord, if that's you, bid me come, and Jesus said come, so Peter (the only man, beside Jesus that EVER was recorded to walk on water) stepped out of the boat and walked to Jesus. This was Spiritually minded, but then Peter began to think Carnally minded (natural minded) and he began to sink. Now Jesus didn't love Peter any more, or the rest of the Apostles any less for not trying, but what God is showing me, is there is a reward for those that will trust God and not lean to their own understanding. According to Matthew 25:1-12, 50% of the 10 Christians, did not go into the marriage.

Verse 10* And while they went to buy, **the bridegroom came; and they that were ready went in with him to the marriage:** and the door was shut.

The reward or prize, is the marriage, the five foolish or carnally minded Christians are still saved and on their way to heaven, but they will have to die or go through great tribulation, until Christ sets his feet on the mount of Olives at his second coming, when every eye shall see him.

YOU SEE, to be spiritually minded has rewards or life, to be carnally minded, is what many would consider the old saying, "I got to heaven by the skin of my teeth."

Ro 8:6* For **to be carnally** minded is death; (**no rewards**) but to be spiritually minded is life and peace.

When God brought Israel, out of Egypt, they walked 40 years in Devine health, not because they were faithful people, but because God is faithful.

De 8:4 Thy raiment **waxed not** old upon thee, neither did thy foot swell, these forty years.

Ne 9:21 Yea, forty years didst thou sustain them in the wilderness, so that they lacked nothing; their clothes **waxed not** old, and their feet swelled not.

How much more should we walk in Devine Health, as it was part of the atonement of Christ

1Pet 2:24/25* Who his own self bare our sins in his own body on the tree, that we, being dead to sins, should live unto righteousness: by whose stripes ye were healed. For ye were as sheep going astray; but are now returned unto the Shepherd and Bishop of your souls.

YOU SEE:, The blessings of God, IS DEVINE HEALTH along with everything else.
