

I Don't Understand

Whether we believe the bible or not, our soul is eternal. We will either spend it in **Heaven** with the Lord **OR** in **Hell** that was prepared for the devil and his angels.

This life span we have here on earth, **determines where we choose to go.**

Yes we have the choice, we can live each day as it comes with no regards of consequences, just rely on our job, education, charisma, mankind and self.

In other words if it feels good, do it. After all we give to needy causes and are basically good people and when we die, we just go to sleep and never wake up.

If there is a God, as long as we don't do real bad things, we will go to heaven, after all he is supposed to be a God of love.

Sorry, If you have a personal relationship with God, you would know better.

You say you can't have a relationship with God? **WHY NOT!** All you have to do is read the B.I.B.L.E. (Basic Instructions Before Leaving Earth) **WARNING:** If you do not ask God **(the author)** that if he is real and he does give a personal relationship, to open his word to your understanding and reveal himself unto you. **Then do not expect much.**

The Bible is Gods written word and written in two segments, the Torah (the old testament or up to the time of Messiah) and the New testament (sense the time of Messiah to the end time)

Genesis 1:1 In the beginning God created the heaven and the earth.

John 1:1-5 In the beginning was the Word, and the Word was with God, and the Word was God. **(this refers to Jesus)** The same was in the beginning with God. All things were made by him; and without him was not any thing made that was made. In him was life; and the life was the light of men. And the light shineth in darkness; and the darkness comprehended it not.

Jesus is the ONLY way to escape Hell and to gain access to the Father and eternal life in Heaven

John 14:6 Jesus saith unto him, **I am the way, the truth, and the life: no man cometh unto the Father, but by me.**

IF WE CHOOSE to believe that Jesus is the Christ (messiah), we have inner peace and God's guidance for the trials here in this life that the unbeliever don't have and life

after with no sickness or torment of any kind, your spiritual body will be whole and complete.

There is no such thing as boredom or gossip nor any other human failures in heaven.

IF WE CHOOSE NOT to believe, then we have **only HELL** to look forward to

Luke 16:21-25 And it came to pass, that the beggar died, and was carried by the angels into Abraham's bosom: **the rich man also died, and was buried;** And in hell he lift up his eyes, being in torments, and seeth Abraham afar off, and Lazarus in his bosom. And he cried and said, Father Abraham, **have mercy on me, and send Lazarus, that he may dip the tip of his finger in water, and cool my tongue; for I am tormented in this flame.** But Abraham said, Son, remember that thou in thy lifetime receivedst thy good things, and likewise Lazarus evil things: but now he is comforted, **and thou art tormented.**

In **HELL** there is continual torment, you feel the pain of the flames, **BUT** are never consumed. If you were sick or maimed in this life, you will be the same in hell.

You **WILL** remember every word shared and chance you had to repent before you died. You will not be able to communicate with others, there are no friends in hell, only loneliness and eternal torment.

Matthew 25:46 **And these shall go away into everlasting punishment:** but the righteous into life eternal.

2Thessalonians 1:9 **Who shall be punished with everlasting destruction from the presence of the Lord, and from the glory of his power;**

Matthew 13:50 And shall cast them into the furnace of fire: **there shall be wailing and gnashing of teeth.**

I can not understand, **a simple thing like saying Jesus forgive me and come into my life, with the promise of peace and help in this life and eternal peace and joy to come in eternity. IS REJECTED** by countless millions.

AND YET the promise of separation from God and eternal torment is embraced by millions.

WHY ??? Do you not understand eternity - OR - eternal torment with no letup??
